2. Coverage of Warranty

This Warranty is subject to the **LQ's** "Sales Confirmation" in force at the time of sale. If the Product fails to meet the terms of the Warranty set out in section 1, and such failure is caused by the direct result of a defect in the material or manufacture of the Product, **LQ** will at its option resupply the Product to original point of delivery on the original terms or refund the original invoice value.

3. Compliance to Standard

The Safety Mirror Product is certified to Australian and New Zealand Standard AS/NZS2208:1996 Safety Glazing Materials in Buildings.
